## **Austin Tennis Academy College Prep Earns SACS CASI Accreditation**

Austin, TX 12 Aug 2011 – Founders, Jack Newman and Carol Hagar, announced that ATA College Prep earned accreditation from the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI), an accreditation division of AdvancED. This action was taken at the AdvancED Accreditation Commission meeting held on June 21, 2011.

As a member of TEPSAC, SACS CASI provides nationally recognized accreditation, the purpose of which is continuous school improvement focused on increasing student performance. To earn accreditation, schools must meet SACS CASI's high standards, be evaluated by a team of professionals from outside the school, and implement a continuous process of school improvement.

“Accreditation demonstrates to our students, parents, and community that we are focused on raising student achievement toward excellence, providing a safe and inspirational learning environment, and maintaining an efficient and effective operation staffed by highly qualified and passionate educators,” stated ATA College Prep Director, Carol Hagar.

“ATA College Prep is bringing to the classroom and player's academic development the same skills and mindset that the Austin Tennis Academy has brought to junior tennis players for their tennis development,” stated Austin Tennis Academy CEO, Jack Newman.

SACS CASI accreditation is recognized across state lines, which not only eases the transfer process as students move from accredited school to accredited school but also assures parents that the school is meeting nationally accepted standards for quality and successful professional practice.

Dr. Mark Elgart, President/CEO of AdvancED, the parent organization of SACS CASI, stated, “SACS CASI Accreditation is a rigorous process that focuses the entire school on the primary goal of creating lifelong learners. ATA College Prep is to be commended for engaging in this process and demonstrating a commitment to continuous improvement.”
